DESCRIPTION OF STUDY AND EXPLANATION OF GOALS

Read the instructions and guidelines. Include the reason this study will build upon your existing strengths and/or areas of personal interest:

The course promotes an understanding of the cultural assumptions we bring to the work environment and the effects of cultural differences on the ways in which architecture is practiced.

Give a brief preliminary list of resources and references:

I will be required to read a book dealing with the issue of professional practice.

Possible texts are listed on the course web site

(<http://www.ochshorndesign.com/cornell/indexfolder-2/cpt.html>)

Which distribution requirement is this course intended to satisfy?

This course contributes to the "open elective" requirement.

What will be produced as a result of this study? (e.g. paper, drawings, presentation, etc.)

I will submit a 5-10 page paper relating the experience of my internship experience to one or more texts dealing with professional practice, approved by the instructor.

Describe the supervision expected (including frequency and duration of meetings):

Initial meeting with instructor; final meeting with instructor, if necessary.
